President Report 2010-2011

5th May 2011

A new group of executive committee members was elected at the annual general meeting held in CSK on 27 June, 2010, serving the Association for the term of 2010/2011. I am honored to be elected as the President of our Association. Together with my fellow committee members, we would endeavor to contribute our best effort to all the CSKOBA members as well as to assist the School in its development for the benefit of our CSK boys.

During our term of office, CSK has ventured into the post 40th Anniversary Era. By turning a new leaf in the CSK history, we see change and new challenges ahead. For a start, I would like to take this opportunity to extend my warmest welcome to our new principal, Mr. Lee Ting Leung, whom took up office in CSK since last September.

I would also like to congratulate our ex-President, Mr. Lau Po Wah Chris [1980], whom commenced his duty in CSK as School Supervisor from January 2011, through the appointment by Brother Patrick together with the Lasallian Education Council (LEC). Mr. Chris Lau is a member of the LEC for many years and has actively involved in the management of the school as well as to the CSKOBA.

In order for the CSKOBA to operate more efficiently and systematically, we have identified 3 key tasks for the upcoming years : -

1. Enhancement on members' communication and improvement on the CSKOBA membership database;
2. Better co-operation with the CSKOBF;
3. Strengthening of the Young Old Boys Mentorship Program and activities.

We have further devised work plan and budget for the year 2010/2011, which formed the blueprint of our operations and activities during the year. I am pleased to announce that the key tasks and work schedule are progressing as planned and our financial position is healthy and within budget.

CSKOBA has been in close working relation with the PTA for many years. Although we operate quite independently from each other and our members are from different group of stakeholders of the School, we share common mission and goal – to make CSK a better school so as to guide our boys to higher achievements – both in academic and extra-curricular activities.

During the past year, one of the way we pursuit this common goal is by serving together in the School Management Committee (SMC). I am honoured to be re-elected to represent the CSKOBA in the SMC as School Manager. My role in the SMC is to assist the School in formulating key policy and strategy. Both the CSKOBA and the PTA, joined with the School in organizing many events such as the Form 1 New Comers' Day, Open Day for Primary Schools, Career Talks by Old Boys etc. On a lighter note, we co-organized the 2011 Spring Outing to the “Hoi Ha Wan Marine Park”, where nearly 250 parents, students, teachers and old boys took a fun day out in the picturesque Sai Kung in early March.

As appraised in the report issued by the Education Bureau during their External School Review visit last year, it was highlighted that both the CSKOBA and the PTA have been working hand-in-hand closely in assisting the School in its development for the benefit of all CSK boys. This close working practice has become a CSK tradition now. I am confident that both the CSKOBA and the PTA together would carry this tradition forward for the many years to come.

The CSKOBA also maintained close relationship with other Lasallian Schools in Hong Kong and participated in all Lasallian School Lunch Meeting held once every quarter. Alumni representatives, Brothers, and principals from all the Lasallian Secondary Schools in Hong Kong attend the lunch meeting. Furthermore, our school representatives including myself attended the 40th Anniversary Dinner of Chong Gene Hang College held in the Kowloon Bay Convention and Exhibition Centre on 22 January 2011.

The CSKOBA, following the practice in previous years, has donated ten scholarships to CSK students in recognizing their distinguish academic achievement during the school year. The prizes were presented during the Speech Day in November 2010.

On 10 December 2010, a group of energetic Old Boys headed for Nansha Golf Club, PRC to compete in the 2010 CSKOBA Golf Tournament. Many of them enjoyed this golfing event so much that they become regular participant every year. I would like to take this opportunity to congratulate Mr. Leung Suet Lung, William [1988] as winner to the Brother Herman Cup (2-Day Gross Champion) and Mr. Yuen Yung Hon, Dennis [1982] as winner to the Brother Eugene Cup (2-Day Net Champion), as well as other Day Champions and Runners-ups. The prizes, joined with the winners to the CSK Standard Chartered Marathon Team, were presented during our Annual Gathering held at the School Hall on 12 March 2011.

Nearly 300 Old Boys, parents, current and retired teachers took part in this Annual Gathering serving in “Pun-choi” style dinner at the School Hall. The Hall was filled with alumni from the 60s’ to the new millennium. Towards the end of the evening, a special session on “Surprise of Thanks” was given to Mr. Or Chun Ching, vice principal, who earns great respect in the School and will take retirement after his near 30 years of teaching in CSK at the end of the school year. The Gathering finished in high CSK spirits on singing the two School Songs – the old one [1969-1975] and the relatively newer one. [since 1976] The old school song is now revived and renamed as the School Sports Song. With its marching rhyme and cheering lyrics, the School Sports Song should add a desirable push when cheering for the School Team in competitive sporting events - uplifting the CSK spirit to a higher level.

On the membership communication enhancement side, we have set up a CSKOBA facebook linkage. We are at the moment testing our revamp website and its integrated membership database. I am confident that after the launch of the new website, members could access more up-to-date information about the Association as well as our Alma Mater.
