

Dear my old boy friends,

Those were the days

Although I have graduated from CSK F.5 for more than 23 years, there are lots of memories from my school life which remind me of the identity of CSK old boy.

My two sons Jarvis and Clovis are studying at CSK Primary School at P. 4 and P.1 respectively. Every Saturday afternoon, I have to take them back to CSK for scout activities.

As an old boy, I wish to continue and improve the school branding of CSK.

As a father, I wish my sons to receive quality secondary education at CSK in the future.
