Dear Registrants,

Cancellation of 50th Anniversary Dinner

We have been informed that KITEC would terminate their banquet service in February, 2022. Given the present social gathering restrictions and the uncertainties ahead, we, therefore, decide to cancel the 50th Anniversary Dinner. The Committee had a lengthy discussion, taking the interests of all stakeholders and the development of COVID-19 into consideration before making this decision. Please help to relay the message and inform your friends/guests if you are a table organiser.

You can still support CSK by donating the ticket revenue to the Golden Jubilee Fund which aims to optimize our students' learning experiences. We appreciate your generosity and support. You may also request a refund. Please indicate your preference in the attached reply slip.

We regret to make this difficult decision and once again thank you very much for your unswerving support to the school and understanding in the matter. Should you have any queries, please feel free to email to dinner50@cskoba.org.

Best regards,
